PROPOSED AMENDMENTS

Previously, the applicant was seeking planning approvals that would permit dwellings on 5 satellite properties to be used as satellite tourist accommodation for the existing Inn located on 5359 River Road.

The revised application seeks planning approvals to permit the use of 4465 Eastwood Crescent only as satellite accommodation for the Inn. In addition, the revised application requests the use of a third property (5411 River Road) as a vacation rental unit independent of the Inn. The location of the subject properties are shown on the location map to the right. Further details of the subject properties are shown on Schedule 1. The other 3 properties previously part of this application are intended to be used in accordance with existing zoning.

5359 River Road is designated Residential and Special Policy Area No. 32, which permits an Inn with up to 12 rooms for tourists. The other 2 properties subject to this application are designated Residential and part of the River Road Satellite District, which, in addition to residential uses,

permits bed and breakfasts and alternative accommodations of that nature. The applicant is requesting an amendment to the Special Policy Area designation to permit related accommodations to be provided on 4465 Eastwood Crescent. In addition, the application is requesting Official Plan policies that would permit the use of 5411 River Road as a vacation rental unit with 3 bedrooms for tourists.

5359 River Road is zoned Residential Two (R2-1010) in accordance with By-law No. 79-200, as amended by By-law No. 2015-51 with site specific regulations permitting an Inn with a maximum of 12 guest rooms for tourists. 4465 Eastwood Crescent and 5411 River Road are zoned Residential Two (R2-2) with area specific regulations that permit a bed and breakfast with up to 4 rooms for tourists. The applicant is requesting site specific regulations be applied to the lands that will permit the dwelling on 4465 Eastwood Crescent to be used as satellite tourist accommodation with 4 guest rooms for the Inn located on 5359 River Road and to recognize existing site conditions on these properties. In addition, the applicant is requesting site specific regulations be applied to 5411 River Road to permit the use of the dwelling as a vacation rental unit with 3 rooms for tourists.
